Please note - Team fees are for the **complete competition** regardless of the number of games played. There are **no refunds for any cancelled games**. Every effort will be made to ensure that all games are played, however there may be situations out of our control (weather or the council shutting the grounds), that prevent this from happening. **Weekly payments still apply for cancelled games.**

Your enrolment for either Netball or Football covers the whole competition from October 2019 to March 2020 - **no refunds will be given if your team withdraws before the completion of the season.**

BYES:

PLEASE NOTE A CHANGE FROM PREVIOUS YEARS

A BYE will only be issued in the event of odd numbers in a grade - i.e where Kelly Sports give a team a BYE in the draw.

Teams can no longer request a BYE. In the event that you can't field a team it will be classified as a default with 'default conditions' listed below.

We understand that there may be some weeks where you will be a player or two short for various reasons. Please reach out to our event coordinators, either Adam (Football) or Ashleigh (Netball) to help find you extra players.

DEFAULTS

Defaults cause significant disruption to the competition and also result in other teams who are willing to play not having a game.

Teams who default will still need to pay their weekly fee and also pay for the other teams fees as these are refunded. The team who defaulted will also lose a point.

We therefore request that teams make every effort not to request byes or default games.
