## **Future Ferns:**

Summer Series netball is aligning with the objectives of Netball New Zealand's Future Ferns programme for junior netball.

As a result, the following will apply: Teams up to and including year 4 will have 5 players on-court; 2 x Attack, 1 x Centre and 2 x Defence; games will use 2/3rds of the court; Hoops will be at 2.6m and a size 4 ball will be used.

Year 5 and 6 will be 6 per side: 2 attacks, 2 centres, 2 defence; games will use full court,; Hoops will be at 2.6m and a size 4 ball will be used.

Teams compete in the category that they have enrolled in for the duration of the competition.  
***eg. a year 4 team will play as a year 4 team in term 4 2018 and term 1 2019.***

## **Timing of Games:**

Youngest teams play first, then progressively through the various age levels. Games start at 3.45pm and run every 30 minutes through until the end of the night.

Games are 2 x 13 minute halves, 1 min for half time (& 3 min changeover at the end of the game). After each round of games there is a prize-giving at the desk/registration area.

## **Grading Games:**

The first three rounds of the competition are grading games and no points are awarded. Placement of teams for the competition is decided from the scores of these three games.

After each grading round the teams will be re-assessed and may be moved into another group. Each week the draw for the next grading round will be published and available on our Facebook page - <https://www.facebook.com/KellySportsWellington/>

## **Competition Draw & Points:**

After the grading rounds the draw and points tables will be updated weekly. Check the competition homepage each week to find the draw for the upcoming week. *(If any changes are made to the draw after it has been posted online your team manager will be notified by email and/or phone.)*

***\*\*If you would like to be on the email list - please email [adminwgt@kellysports.co.nz](mailto:adminwgt@kellysports.co.nz) and we will add you to the list.***

### **Points System:**

Win = **3 points**, Draw = **2 points**, Loss = **1 point**, Default = **Lose 1 point**.

Bye (given by Kelly Sports) = **2 points**.

### **BYES: PLEASE NOTE A CHANGE FROM PREVIOUS YEARS**

A BYE will only be issued in the event of odd numbers in a grade - i.e where Kelly Sports give a team a BYE.

***Teams can no longer request a BYE. If a team requests a BYE this will be treated as a DEFAULT.***

### **DEFAULTS**

Defaults cause significant disruption to the competition and also result in other teams who are willing to play not having a game.

***Teams who default will still need to pay their weekly fee and also pay for the other teams fees as these are refunded. The team who defaulted will also lose a point.***

**We therefore request that teams make every effort not to default games.**

### **Registration and Payment on the Day:**

Teams must register (at the desk) each week at least 10 mins before their game is due to start. This enables the games to stay on schedule.

If you choose to pay weekly then payment (\$45) is due before you play.

### **10 is the maximum number of players per squad:**

Ring-ins may be used if squad members are unavailable. Ring-ins **MUST** be the same age and ability as the team, or younger. Ring-ins are not allowed for play-offs or finals.

### **Prize Giving MVP (most valuable player):**

Ribbons & Certificates will be awarded to 1 player from each team each week. The team manager needs to provide a nomination to the umpire at the end of their game, the teams meet at the Kelly Sports desk area for the presentation.

### **Clothing/Jewellery:**

Sport appropriate clothing must be worn, i.e. track pants, shorts, t-shirts, jerseys. Jewellery will need to be removed/covered when asked by the umpires for health and safety reasons.

### **Cancellation:**

Our objective is to play whenever we can – please assume your game is on unless otherwise notified.

Details of cancellations:

**Expected Behaviour:**

We expect all players, managers and spectators to behave supportively. This is a social league. Any negative or abusive behavior, by players, managers or spectators, verbal or physical, will not be tolerated. Teams or individuals who behave inappropriately will have points deducted and/or be asked to leave the event and if there is a repeat offence, the team will be removed from the competition.

If a team has an issue during the game their team manager should discuss it at the time with the event manager who will normally be at the Kelly Sports desk. No discussion will be entered into in front of any players.
